

Letter regarding Thomas Carterson

This document is a copy from Fin Evans' original document.

Ofsted focuses on giving children a safe education, and due to the severity of this situation, Rufford Park Primary School has been placed on the inadequate side of our system.

Within this document, I will include some important pieces of chat logs between me and Thomas, may I note before you begin reading, I, Fin have participated in these conversations. This had been due to me being pressured and manipulated by Thomas. Sexual & sensitive screenshots will be shared within this doc, I recommend you click off now if you are sensitive to topics such as sexual abuse & harassment and/or manipulation. I do not take this situation lightly.

Me & Thomas had begun dating around January, I do not recall when. Within the first 2 days he started getting sexual which had made me uncomfortable, but I was still comfortable enough to continue the relationship, I had not mentioned this as I have received abuse from this in past relationships I have had. This had been just the beginning of pressure & sexual manipulation. This would continue for various nights with Thomas always begging me for NSFW images & sexual conversations.

u should send me a sexy pic x

Within these times, I had been constantly DMing my best friend, Finlay who had supported me throughout this. I knew I was being sexually manipulated and abused against my own will but I was too far deep into the relationship. I had felt like I needed to be there due to what Thomas would say to me. He would force me into sexual conversations and wouldn't let me do anything else. I felt overwhelmed and would start crying at some points due to this. I hadn't wanted to reach out to anyone as I was too scared to do so at this point.

These images had been taken the night I finally managed to break up with Thomas and break out of my shell. I admit to everything. I replied back to him and encouraged him. It was the only way I felt that I would be able to be a good boyfriend and fit in, you may ask Thomas for these screenshots and I am ashamed of them myself, but this had all been to Thomas forcing me to do such actions and made me feel like I should shame myself for not participating. After this, I had begun getting Thomas' messages out and I shouldn't've, this had only heated the situation more. Some have agreed with my actions and had encouraged me to keep on exposing him, at this

point I felt very energised to do it and felt no shame in sharing such images, I had come to realise this was nothing but a mistake. People would come into my DMs telling me to kill myself, sexually harassed me and would start telling me to do things to affect Thomas. At this moment of time in the situation, I felt like I was being thrown about and used just to get the final squeeze out of what Thomas had done badly wrong in his time. A few weeks later, I had entered a police interview after reporting him for his further incidents, Thomas' school had been emailed by bystanders and he got kicked out of his education. I do not hold any accountability for these actions. During this, Thomas had been put in a holding cell overnight, this is when I thought I had gone too far, but I realised it's the right thing to do. He had committed 6 criminal offences against me, listed below;

- 1. distributing underaged pornography**
- 2. storing underaged pornography**
- 3. producing underaged pornography**
- 4. compelled sexual manipulation**
- 5. online rape**
- 6. online sexual harassment**

^^ all which he should've been convicted for but they didn't.

My MH has been impacted fully by this + I was lucky to get into CAMHS so quickly, it has affected home life & school life, currently I have daily contact with my assigned CAMHS person and I manage to help my struggles there. To this day, Thomas comes running back to my DMs asking for me to forgive him while trying to make it out as if he was the victim and I'm the bad guy, if Thomas DMs you, ignore him, and to any group owners, I recommend publishing this doc and blacklisting him before attempting to put your company at risk of such a disgusting and horrible person.

If you have any further questions, please contact @oopfin on discord as way more screenshots can be found there.

I wrote this at 10PM, so I was tired.

Outcome

Thomas Carterson has issued a resignation statement from Rufford Academy. It reads;

My Resignation

@everyone My discord life has been full of hate, regret and lies. I simply cant be on this app. I am sorry to everyone I have hurt, and I hope you guys forgive me. Believe it or not, I am crying while writing this because I have made actual friends here. I want to thank @liv and @max !! 🐦 for just being there for me during my shit times. I am not a sex freak, weirdo like everyone says. I am a human, like all of you. Everyone makes mistakes, but some cant understand that, and I am sorry. I am leaving now, so you dont have to worry about me bringing down your company. Expose me, bully me, push me down, I dont care. I am leaving discord, I have been harrassed this much, DMs will not be responded to. All I ask is that you dont harrass me and my family outside of discord.

How can I feed back my views?

You can use Ofsted Parent View to give Ofsted your opinion on your child's school, or to find out what other parents and carers think. We use information from Ofsted Parent View when deciding which schools to inspect, when to inspect them and as part of their inspection.

The Department for Education has further guidance on how to complain about a school.
